- Providing guidance to transportation energy workers on "essential infrastructure/businesses" designation under the governor's executive order.
- The executive order identifies 27 "Essential Critical Infrastructure Workers" under the Energy subcategories for: "electricity industry"; "petroleum workers"; and "natural and propane gas workers" (see <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>)
- Designated Siting, Transmission and Environmental Protection Deputy Director as the central point of contact for all Independent Energy Producers Association (IEPA) members to raise concerns or seek guidance and support.
- CEC staff provided energy sector GIS resources and data sets on 3-21-18 per the Task Force GIS Data Request for Information from CA Transportation & Critical Infrastructure. CEC staff also designated a point of contact for emergency related GIS issues.

### California Department of Water Resources (DWR)

- DWR is coordinating GIS request for water critical infrastructure layers. DWR is in process of providing the COVID Task Force required layers through the designated point of contact provided.
- DWR continues to receive staff inquiries seeking clarification pertaining to the "essential infrastructure/businesses" designation.
- State Water Project EOC activated and is coordinating with all State Water Project and all Divisions.

### California Utilities Emergency Association (CUEA)

- CUEA is in contact with their utility members daily. All are following the recommendations from the CDC and the Governor's Directive. Most have implemented telecommuting for all eligible positions (those positions that are equipped or can be reasonably accommodated to work remotely). Some positions are essential and must remain on-site to comply with job duties however; they are doing everything possible to seek opportunities to minimize on-site personnel, maintain social distancing, and ensure employee health and safety.

### California Department of Food and Agriculture (CDFA)

- CDFA continues to gather information projecting critical PPE and hygiene supplies required to continue Food and Agriculture Critical Infrastructure Operations.
- CDFA is communicating regularly with industry to monitor and anticipate any imminent disruptions to the food supply and food production systems.
- CDFA Workforce Group continues to monitor, prepare for, and coordinate workforce impacts to Food and Agriculture Critical Infrastructure.
- CDFA continues mission-critical inspections to ensure food safety and consumer protection.
- CDFA is drafting guidance for distribution to California Agricultural Commissioners to extend CDFA's essential functions to the work of county personnel under the Food and Agriculture Critical Infrastructure exemption to stay at home.
- CDFA published a resource website for the agricultural sector:

- CalRedie data entry of previous contacts is being conducted.
- Script for Public Health Nurses for contact investigations of sensitive occupations and settings (SOS) is being drafted.
- Gathering information on the status of staff at home, including their availability to respond back to the workforce if called as DSW's.

### Marin

- Marin County is critically low on lab supplies, especially sample collection kits and reagent.
- Healthcare providers in Marin County are requesting PPE from the medical health operational area coordinator (MHOAC).

### Mono

- Requests for emergency temporary hires and Disaster Healthcare Volunteer (DHV) outreach have been made.
- The Local/regional lab is not able to process any COVID-19 tests.

### Orange

- Requesting gloves, face shields, adult/peds, surgical masks, isolation gowns, sanitization wipes, eye protections and ventilators.
- MHOAC request submitted for nasopharyngeal swabs and transport media.

### Riverside

- Extension of Riverside County Schools closure date was moved to 04/30/2020.
- County has two sites for community testing (referral only):
  - Indian Wells (0900-1530).
  - Lake Elsinore started March 21, 2020 at Storm Stadium at 0930-1530.

### Santa Clara

- Mobile Federal Medical Stations (250 bed mobile field Hospital).

### San Bernardino

- Department of Behavioral Health (DBH) is maintaining continued operations for all outpatient clinics. Several services have continued by doing outdoor 'drive-through' triage of consumers in several of the clinics –this for the safety of the staff.
- In partnership with Risk Management DBH fit-tested 54 staff members on Thursday, March 19, 2020. Several nurses, clinicians, and Community Crisis Response Team members who will be in the field were fit-tested with N95's provided by the MHOAC. More testing scheduled for Monday, March 23, 2020 where staff from the High Desert region will be covered.
- DBH obtained 2,500 N95's from the MHOAC request and are providing fit testing for front line staff in all clinics from San Bernardino to Needles.
- After the "Safe at Home" order went into effect by Governor Newsom, DBH began working on telecommuting plans for all programs.
- DBH established several mental health resources for distribution through social media platforms.
- The Disaster Distress Helpline is available 24 hours a day and answered by trained crisis counselors. Call 1-800-985-5990 or text 'TalkWithUs' to 66746.

### San Diego

- Points of Dispensing for drive thru testing are live but there is a shortage of test kits. Seeking hospitals that can share strategies to keep crowds away from Emergency Departments.

### Stanislaus

- Supplies of testing kits are getting low.
